Subject: **Draft Regulatory Guide DG-1096 – *Transient and Accident Analysis Methods, and Draft Standard Review Plan Section 15.0.2, Review of Analytical Computer Codes (65 FR 77934)***
Request for Comments

Ladies and Gentlemen:

Carolina Power & Light (CP&L) and Florida Power, subsidiaries of Progress Energy Company, are endorsing the industry comments on the subject guidance documents, as compiled into the industry response provided by NEI on February 15, 2001. We encourage NRC to modify the scope and purpose of these documents based on NEI recommendations and work together with NEI towards the resolution of the remaining issues.

Please contact me at (919) 546-4579 if you have questions.

Sincerely,

John R. Caves
Regulatory Affairs
